Introducing
The Oklahoma Jury Verdict Reporter

Available in both Print and PDF Format (Adobe)

Jury Verdict Publications has produced high-quality and innovative jury verdict reporters all over the country since 1997. This is our first foray into Oklahoma – over the last few months, we’ve traveled the highways and byways of the state uncovering civil jury verdict results. In every case, our staff reviews the pleadings, the depositions and the entirety of the court record to produce an original and unbiased jury verdict report.

Never before have Oklahoma attorneys (both for the plaintiff and the defense) as well as the judiciary and other interested parties had such a comprehensive compilation of jury verdict results. The OKJVR moves the resolution of civil cases out of the realm of hearsay, of rumor, of courthouse gossip, to real results. Real trials. Real facts. Real verdicts.

The Oklahoma Jury Verdict Reporter is published monthly (12 times a year) and is available in either a print or a PDF format. Group licenses are available. Simply contact us for more information at 1-866-228-2447.

This preview represents just a portion of the full October 2011. [It is still be written and the cases are still be tried.] The OKJVR is a subscription publication – the September issue was our introduction. Subscribe for all the details.
